

[New Summary Page For USB Speed Tests Web Site](#)

A screenshot of a web browser window. The address bar shows "chrome://usb-internals". There are two tabs: "USB Internals" and "Device Log". Below the browser, there is a table with columns "Name", "Serial number", and "Landing page". The first row contains "foo", an empty cell, and "https://example.com/". A "Remove" button is next to the last cell. Below the table is a form titled "Add a test device:" with input fields for "Name:", "Serial number:", and "Landing page:", and an "Add" button.

| Name | Serial number | Landing page         |        |
|------|---------------|----------------------|--------|
| foo  |               | https://example.com/ | Remove |

**Add a test device:**

Name:

Serial number:

Landing page:
