[When Can I Have Sex After An Abortion](#)

## Intercourse After Abortion

- 
- You should not attempt any kind of sexual activity at least for 2 weeks after the termination to reduce the risk of infection.
  - Avoiding intercourse until two weeks, it gives your body the best chance to recover after treatment.
  - If you act irresponsible by not using contraception then you are at risk of a new pregnancy.
  - Consult your healthcare professionals for any queries or advice.
